Dear Confreres,

Our Annual Report should chronicle how successful we have been in fulfilling those pledges that we make each day when we pray the Daily Prayer of the Order. Not only is our daily prayer a wonderful guide for us individually, but provides a gauge for how healthy our Federal Association is. I believe, and hope that you will agree, that the number of service programs and spiritual activities we are supporting financially as well as through hands-on service is impressive and we all should be proud of our involvement as members of the Order.

I would like to acknowledge the dedication of our Executive Committee and Board who work hard to make sure we are fulfilling our mission. Our Regional Hospitallers and Committee Chairpersons are the backbone for our various projects and their hard work provides the opportunities for us as individuals to deepen our spirituality. Over the last few years, we have increased the number of spiritual activities and service projects. This year, in response to Hurricane Katrina, we embarked on an extremely challenging and fulfilling project with our rebuilding program in New Orleans. All of this activity, coupled with the fact that we have had healthy increases in the number of members, presents a significant challenge to our staff who handle their expanding responsibilities with passion and dedication. Even though our Association is doing well, our continuing challenge is to reach out to our less-involved members so that we can better “carry out this our resolve.”

Congratulations to His Eminence Theodore Cardinal McCarrick, who recently retired as the leader of the Archdiocese of Washington. Although the Cardinal plans to travel extensively, he will maintain his primary residence here in Washington. We look forward to continuing to work with him as our Principal Chaplain. We also are delighted to welcome His Excellency Archbishop Donald Wuerl, the new Archbishop of Washington, who is also a Chaplain of the Order.

In reviewing a draft of this Annual Report, I was saddened as I spent a few minutes thinking about those members whom we have recently lost. As you review the names of our deceased members, I hope you will take some time to remember just how special these people were and what a wonderful example they provided. We have and will pray for the repose of their souls and hope they will intercede on our behalf at our time of need.

Confraternally yours,

A handwritten signature in black ink, appearing to read "G. P. Clancy, Jr." with a stylized flourish at the end.

Chaplain's Report

*Reverend Monsignor
W. Louis Quinn
Conventual Chaplain*

In the past year, the Federal Association continued to expand its program of spiritual activities to its members, candidates, and family members. There have been four weekend retreats: Fall Retreat (Robert, Louisiana), Western Pennsylvania Retreat (Latrobe, Pennsylvania), Florida Retreat (North Palm Beach), and the Spring Retreat (Baltimore, Maryland). All of these retreats were well attended by our members, and the retreat directors (Rev. Simeon Gallagher, OFM Cap; Rev John Murray, CSSR; Rev. Justin Matros, OSB; and Rev. David Couturier, OFM Cap) were well received.

In addition, there were smaller gatherings held in several different cities around the country. For example, the Annual Memorial Mass for Deceased Members was celebrated in nearly every one of our regions as was the

Feast of St. John the Baptist. The “primary” observance of this feast was in Dallas this year, with Bishop Charles Grahmann joining our group for Mass and dinner.

In March, the Spirituality Committee sponsored the annual Lenten Evening of Reflection. The program at the Church of the Annunciation in Washington featured Mass, a simple soup supper, and a short talk given by Monsignor John Enzler. In April the committee sponsored the annual Day of Reflection at the Washington Theological Union. The theme this year was “Our Lords, the Poor”, and a host of presenters including clergymen Rev. Raymond Kemp, the Secretary for Social Development and World Peace at the Catholic Bishops Conference, John Carr, Federal Association Knights (Shep Abell, Anthony Falcone, Dr. John Klimas,

Jim Nolan) and candidates (Chuck Short). All gave powerful and insightful reflections on what the world's response and the Catholic Church's response to the growing problems of poverty and marginalization in the world.

The single biggest spiritual activity of the year is always the Order's international pilgrimage to Lourdes. This year our Association brought 296 people from all around the country to be part of the overall SMOM group of nearly 4,000. Monsignor Ed Dillon of Atlanta served as "pilgrimage chaplain" in Lourdes. One of the highlights of this year's pilgrimage was bringing three Malades from Walter Reed Army Hospital in Washington.

One of the many offshoots of the Lourdes Pilgrimage has been the development of the Lourdes Anointing Mass. For years now the Knights and Dames in Kansas City have sponsored their annual Mass at Cure of Ars Church in Leawood, Kansas; and most years the Mass is concelebrated by both local Bishops. For several years there were two such

Masses, one in Northern Virginia and another sponsored by the Holy Trinity Parish group in Georgetown. For the last two years the Masses were combined into one, large Mass for the entire region. The Masses, celebrated by Bishop William Curlin in 2005 and Bishop Kevin Farrell in 2006, were held at Our Lady Of Mercy Church in Potomac, Maryland. Both years over 300 sick, disabled, and elderly people attended the Mass and received the blessing.

In September, the Association sponsored its second annual Mass for the Sanctity of Life at Our Lady of Lourdes Church in Bethesda, Maryland. The Most Reverend Kevin Farrell, Auxiliary Bishop of Washington and a Conventual Chaplain of our Association, was the celebrant and homilist. Over 125 Knights, Dames, candidates and family members attended this Mass. The Spirituality Committee prepared the readings and responses for this Mass and sent them to all of the Regional Hospitallers, and similar Masses were also celebrated in several other regions.

Hospitaller's Report

*Susanne C. DuFour
Hospitaller*

Our membership continues to grow in numbers and in devotion to the mission of the Order of Malta. Throughout the year, members serve the poor and the sick in many ways. In each of the twenty regions of our Association, the Regional Hospitaller guides the work and organizes the spiritual activities. Twice a year, the Regional Hospitallers meet to exchange ideas and report on activities. We met this year in October in Washington and in April in Charlotte, NC.

We continue to serve the frail elderly in the assisted living homes that we support. New projects have begun this year. In Baltimore, at the Keswick Nursing Home, Ligia Remick has organized and begun visiting residents twice a month to recite the Rosary and distribute Holy Communion. In Washington, Ann Fox, Hospitaller, and Sid Spencer, are planning for Malta members to begin taking Holy Communion to the Catholic residents of the Washington Home every Sunday. In Pittsburgh, Tom Celli, Hospitaller, Jim Haberman, and other members are making an effort to establish a Catholic "Senior Care" Organization that would operate nursing homes in the area with special emphasis on Catholic values. The project is still in the works. We hope that they will be successful, and the project will become a model for other areas to copy. In Hartford, J.P. Van Rooy, Hospitaller, along with other Malta members, raised the funds and established the Malta House of Care, which will provide a wide range of services to the elderly poor and uninsured. The project is starting with a mobile clinic,

going to the parking lots of parish churches, to serve the needs of the people. Later there will be a permanent facility as well as the mobile one to serve the poor and the uninsured of Hartford.

Our members responded generously to the appeal for Katrina Relief. Using the money raised from all three U.S. Associations and Malteser International, we have begun the Home Renovation Program to rebuild homes that were devastated during the hurricane. Our Executive Director, Joe Dempsey, along with the Executive Directors of the American and Western Associations worked with Catholic Charities, Rebuilding Together and the Marriott Corporation to organize the project. The homes designated for repair were chosen in two parishes in the Gentilly and Tremé neighborhoods. At our

meeting in Charlotte, Joe had pictures of the volunteers at work during the first week of the scheduled renovation. The project continues through April 2007. Several Malta members have been leaders in the relief effort in New Orleans--Jim Kelly, Ozzy Marcenaro, Charles Scholz, and Bette Hoag.

The Lourdes Pilgrimage has grown over the years and is the highlight of the year for many Members. This year, over 300 Knights, Dames, Auxiliary, Candidates, volunteers, malades, and companions went on the pilgrimage. John Miller, Chairman of the Lourdes Committee, and his committee work all year to make sure the Pilgrimage runs smoothly. Many details are handled by Lourdes Iglesias who is our Assistant Director of Hospitaller Programs. While in Lourdes, the team

leader and assistant team leaders take special care of their malades and the others on the team. One of the many special events at Lourdes remains the Mass at the Grotto, followed by the placement of the petitions there by Rob Lively and Bob Nolting. Hundreds of petitions for Our Lady are brought with us to Lourdes. The day they are delivered to the Grotto, Rob sends a postcard to each of the petitioners, telling them that their prayers had been placed before Mary that day.

As Members of the Order trying each day to fulfill our promise to serve the poor and the sick and to defend the faith, I will end with prayer that Bishop Curlin gave us during a talk while we were in Charlotte. It is a prayer that was given to him by Mother Teresa. "Mary, Mother of Jesus, keep me well so that I can better serve your Son."

Grants Committee Report

Margaret Counselman
Chairwoman,
Grants Committee

Using the funds raised by the 2005 Annual Appeal, the Grants Committee made nearly 50 grants of cash or material to programs that are providing a needed and direct service to the poor. When the shipments of food (ADM/Order of Malta Feeding Program) and all of the medicines contributed by the Clinic Program are added in, the Federal Association contributed \$3.8 million worth of food, medicines, medical equipment, and emergency relief supplies in the past year. (This figure is calculated and certified by Councilor, Buchanan, and Mitchell; the accounting firm that performs the Association's annual financial audit.)

DEFENSE OF THE FAITH INITIATIVE

Beginning this year, a percentage of the Annual Appeal is reserved for programs that are not ministering to the poor and the sick, but rather are providing education and spiritual sustenance to our members and other Catholics. In 2007, the Defense of the Faith will sponsor a major, educational initiative tentatively titled, “Know the Faith - Live the Faith”.

Faulkner, MD,	Loyola Retreat House – retreats for inner-city parishes
Silver Spring, MD	Centro Tepeyac – educational and medical programs
Sweden	Newman Institute for Catholic Studies – strengthening the Faith in Sweden
Takoma Park, MD	Redemptorist Mater Seminary – general support

In the past year, the Federal Association's Clinic Program sent significant quantities of free medicines to the clinics listed below. At the beginning of each year, Clinic Directors and Doctors are asked which medicines they are prescribing and dispensing most often. With that information, the committee develops a "menu" or formulary for the year and the clinic directors indicate the appropriate quantities of each medicine. All of the medicines the program provides are free of charge, which allows the clinics to spend their funds on other medicines and/or medical equipment.

Treasurer's Report

*Robert Easby Smith
Treasurer*

During 2005, the total assets of the Federal Association of the Order of Malta grew to \$3,976,702, which was an increase of 4.2% over the previous year. The cash and cash equivalents balance was \$607,779 at year end. This amount was larger than last year partially due to a timing issue related to the disbursement of some of our grant commitments. The revenues in 2005 for the Association were \$5,089,549. Of this dollar amount, \$2,508,465 was in-kind contributions of donated food and medicine used in our various projects.

The members of the Association were very generous in 2005. The Annual Appeal raised \$749,892, which was an increase of more than \$50,000 over 2004 or a 7.3% increase. In addition to the Annual Appeal our members responded to the call for additional support of two disaster relief programs. In 2005, the Federal Association received \$99,955 from our members

for the Tsunami relief and \$490,509 was collected by the three United States Associations for Hurricane Katrina relief.

The Grants Committee awarded \$3,829,078 in grants during 2005 to fulfill the mission of the Order in helping the sick and poor and defending our Roman Catholic faith. This was accomplished through the generosity of the members of our Order as well as the ability of the Order to leverage these funds and supply in-kind contributions.

For the calendar year end December 31, 2005, the Federal Association of the Order of Malta had an audit conducted of the financial statements and related statements of activities and cash flows by the firm of Councilor, Buchanan, & Mitchell. The auditors declared this a "clean" audit and were satisfied with the Association's financial records and record keeping procedures. Copies of the complete audited financial statements and supplementary information is available in the Federal Association's office.

Development Report

*Noreen Falcone
Chancellor*

Listed below are all the individuals who made a contribution to the Federal Association's 2006 Annual Appeal. Our members are asked for financial support – by this organization and many others – several times a year, and the Development Committee is very, very grateful to everyone who contributed to this appeal. All of the money raised in this appeal will be spent, carefully, in the next year by our Grants Committee and our Defense of the Faith Committee. Every dollar will go to a project that is providing a direct and tangible service to the poor, or to a project that is helping Catholics better know and sustain their faith. The list of Grants Committee projects on pp. 9 of this Report illustrate the tremendous amount of good work we are able to accomplish thanks to the generosity of our members.

The Blessed Gerard Society

The Blessed Gerard Society was established in 1998 as a way of recognizing the members of the Order who have included the Order of Malta in their will or other estate planning. In this manner, our members ensure that the Federal Association will continue to perform the work of the Order well into the next century.

Knights and Dames of Malta have been sustaining the Order and its works in this manner for centuries, and it remains an important way of perpetuating the tradition, and more importantly, the noble work of the Order.

Unless designated otherwise, contributions made in this manner will be placed in the Blessed Gerard Fund, a charitable trust controlled by the Board of Directors of the Federal Association. Each year a percentage of this fund will be combined with the Annual Appeal, and these funds will be used to underwrite the Hospitaller work of the Federal Association. All of these funds will support programs which provide direct service to the poor and the sick. Gifts can be made by designating a percentage of your estate or by bequeathing a fixed dollar amount. Contributions of stock or specific personal property will also be accepted. For more information on how to include the Order of Malta in your estate plans, please consult your lawyer, financial advisor, and/or call the Federal Association office.
