COVID 19- We anticipate that the camp will proceed under the requirements imposed by Belgium for entrance to the Country at the time of the camp. Currently Belgium does not require proof of vaccination to enter. Of course, as with all health situations, things can change, and updates may be necessary. We will keep volunteers informed of any updates as they become available. In order to best understand how any requirements may impact your ability to participate, please let us know the following:

1. Have you had Covid 19? If so, please describe when and provide any relevant details.

2. Please list any comorbidities or pre-existing conditions which might make you more susceptible to Covid 19 or to a more severe impact from the Covid 19 virus.

3. Have you received a Covid 19 Vaccination?

4. Do you have any difficulties or apprehensions about using current Covid safety methods such as wearing protective masks, washing hands frequently, maintaining safe distance from others, and having your temperature taken? If so, please explain.
