

FitzGerald-Callaghan Lourdes Endowment Trust

Supporters

To support the signature work of our worldwide Order, the Federal Association started the Lourdes Endowment Fund with a very generous gift from Admiral William Callaghan and his wife Elizabeth in 2013. The Lourdes Endowment Fund provides an opportunity for our entire Association, even those who cannot attend the pilgrimage, to participate in the care of our beloved Malades.

The fund supports the participation of our Federal Association-sponsored Malades so that the charism of our Order, to serve the poor and the sick, can continue for generations. As we work together to build the fund, we ensure the future spiritual fruits of the Order's pilgrimage to Lourdes not just for ourselves but also for those we have been called to serve.
