

Malta Wine Tasting Event

Benefiting the Lourdes Malades

Help support our Malades!

Please join us for a fabulous evening as we taste the award-winning Italian wines from the prestigious Order of Malta Estates and support our beloved malades on their journey to Lourdes. Owned by the Order of Malta from the early medieval times, three ancient estates from Italy's Umbria, Veneto, and Friuli regions have just made their wines available in the United States. Giulia Luccioli of the Order of Malta Wine Estates will present the wines and the rich history of the Knights of Malta in winemaking.
